# The Disability Holiday Market

## Access Guide

### **Welcome!**

We are so excited for you to join us at Artscape Wychwood Barns for The Disability Holiday Market! Below is some helpful information about the Market to help prepare you for your visit.

# Arriving

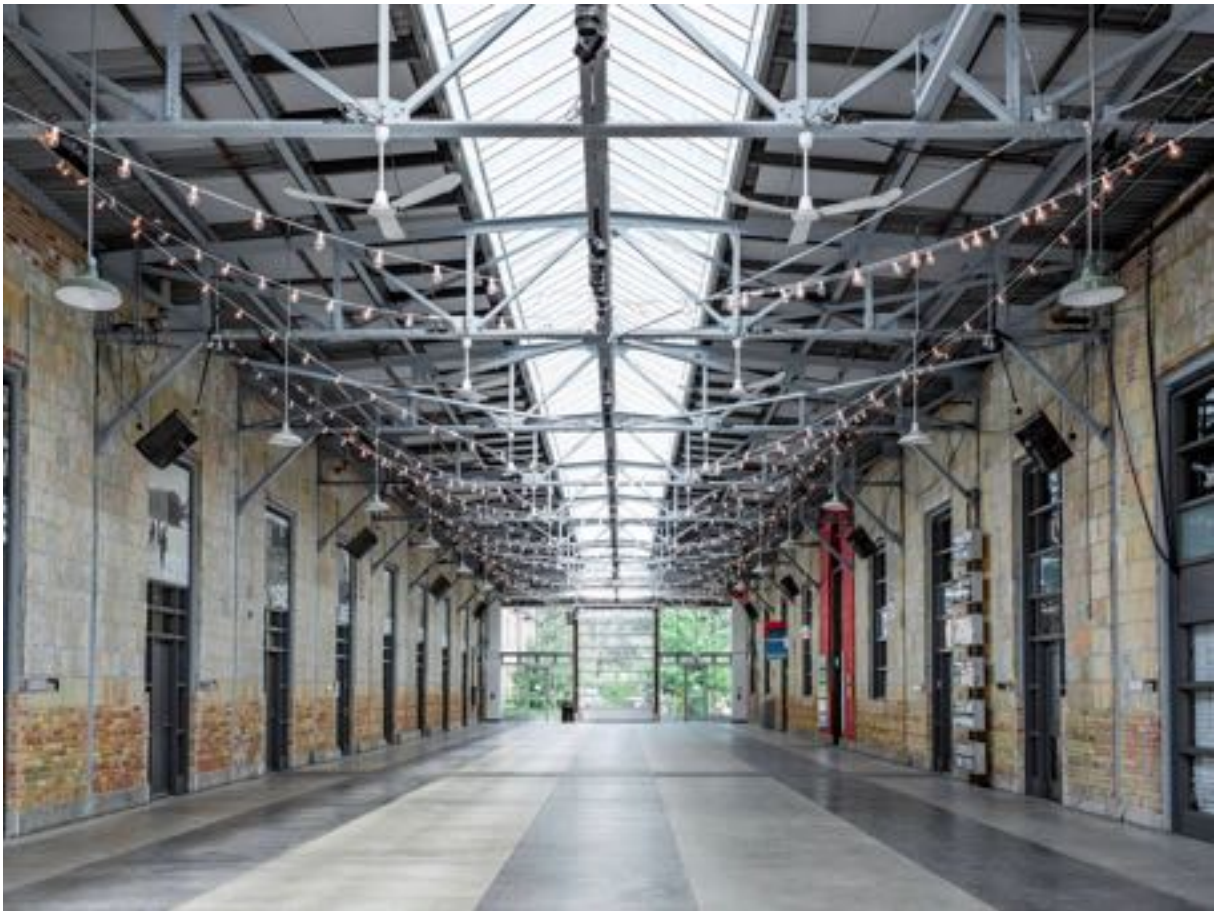

This is the Christie Street or West Side entrance to the Disability Holiday Market. This is the main entrance to the market, however, if you find yourself on the East Side of the building, feel free to use that entrance as well! You will enter through the door on the left.

# The Market

When you enter the market, to your right will be an information table with a volunteer who will be happy to answer any of your questions, or help you find whatever you may seek!

There will be folks exploring the market, holiday music playing, and the smell of hot drinks and holiday treats in the air.

## Vendors

Vendors will be at their tables selling all sorts of wonderful things. These tables will line either side of the barn and begin right when you enter.

There is an ATM on site and some vendors will also accept debit and credit.

## Cozy Corner

On the east side of the Market, or the opposite side to the main entrance, there will be a Cozy Corner set up with some places for you to have a seat, have a beverage & snack, and enjoy the atmosphere!

## Card Making Station

Between the entrance to the washrooms and the cozy corner on the South East side of the barns, will be a Card Making Station for you, your friends, and/or family to create some festive cards for the holidays!

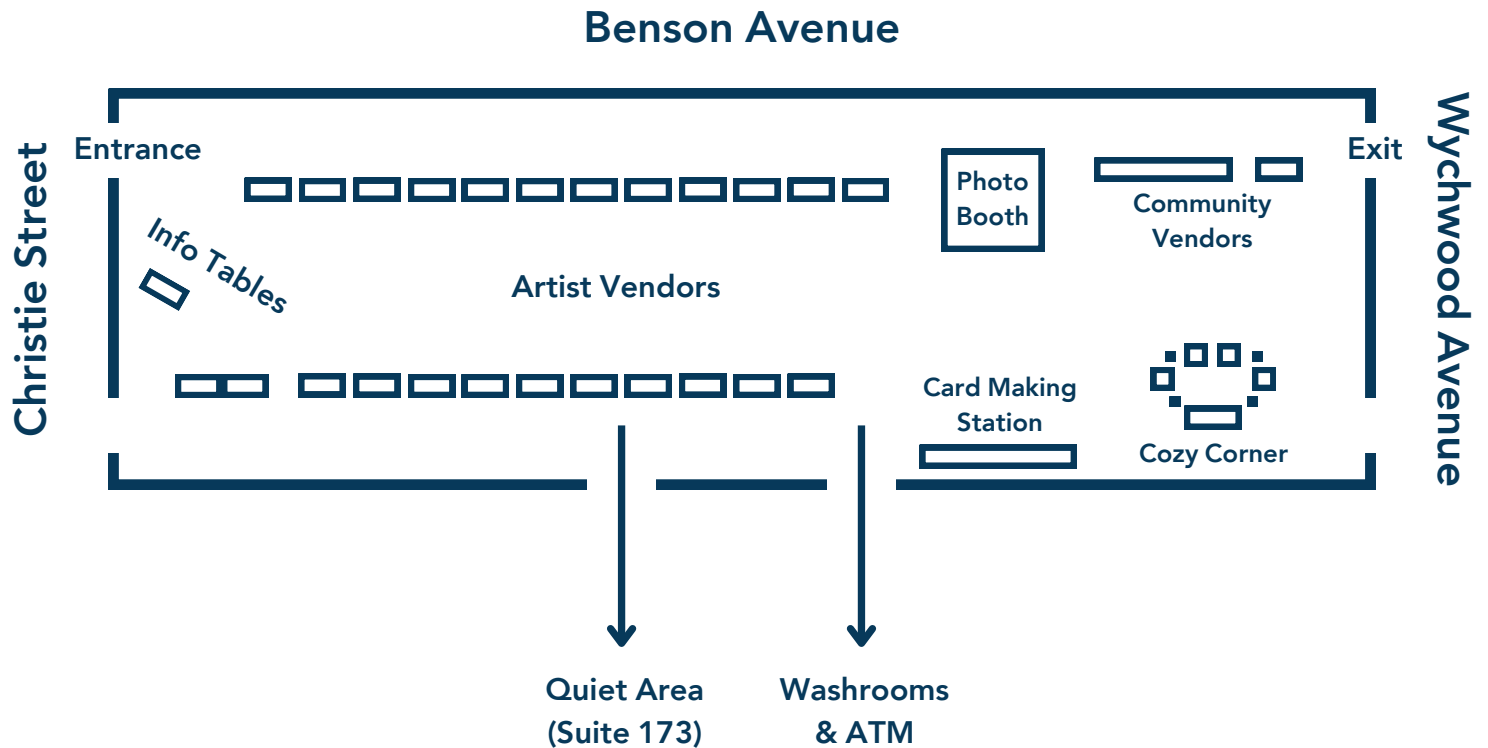

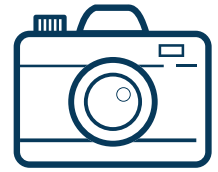

# Community Vendors

On the East Side of the Market, right beside the photo booth, will be community vendors selling hot beverages and snacks for you to enjoy!

# Photo Booth

On the North East end of the market, located right before our community vendors serving drinks and snacks, will be a festive Photo Booth for you and your friends and family to make memories!

# Volunteers

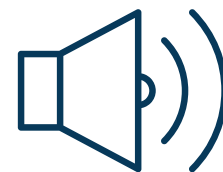

Volunteers will be roaming around the market and at the information table to the right of the main entrance. They will be more than happy to assist you, or answer any questions that you may have, and will be wearing a lanyard that looks like this:

Please approach any of our volunteers should you have access needs, and feel free to request earplugs, fidget toys, a sighted guide, an interpreting student, a venue guide, or an access guide.

# Sighted Guides

For our Blind + Low Vision community, we will have two sighted guide volunteers available throughout the day offering described tours of the Market.

# ASL Volunteers

For our Deaf + Hard of Hearing community, we will have two ASL interpreting students from George Brown College available throughout the day.

# Quiet Area

If you need a break from the hustle and bustle of the market, we will have a dedicated Quiet Area with space to relax, fidget toys, and earplugs in Storytelling Toronto, located on the South Side of the barns in Suite 173.
